Inter 12
Inter 14
Inter 16
Inter 18
Inter 20
Inter 24
Inter 28
Inter 32
Inter 48

Font size units

For Headings: We generally use **~ x1.25 line height (rounded)** for heading text.

For Body copy: According to the current web accessibility guidelines, we follow a minimum line height of **~ x1.5 for body copy**.

Auto scaling: Type styles automatically scale down as screen size decreases to adjust for responsiveness. We limit auto-scaling for body fonts due to Accessibility concerns.
